Paradigm[®] Garden Oasis

Save
20%

Till June 30/19

Outdoor entertainment is not a boombox in the kitchen window. The Paradigm Garden Oasis system delivers crisp, clear music that blends with and enhances your outdoor living space. Bring in some ideas and we will be happy to recommend a system that fits your taste and budget.

For 36 years Red Ball Radio has delivered the best in Audio-Video. Our professional staff is keen to install and configure everything we sell. From home theatre to car audio, we got you covered!
